

## 2020 hillsceneLIVE Artist(s) Expressions of Interest Video application

*hillsceneLIVE empowers, enlivens and supports the artistic community through a program of development and presentation for live art practitioners, facilitation of creative exchange, provision of reflective and performative platforms for site-specific and time-based practice. hillsceneLIVE culminates in a 1-day performance revel in a found site in the Dandenong Ranges.*

Please ensure that you complete pages 1 & 3 in the online form and then address all the following questions in your video

1. The elevation pitch (Tell us about your exploration in 50 words or less)
2. What is your project idea: Describe your idea, the thought behind it, and how you can see it developing over the programme?
3. For you why is this work important to be explored now? Why hillsceneLIVE?
4. Tell us about your artistic practice
5. What is your response to the 2020 theme “flirting the precipice”?

Submit your video via one of the online platforms (youtube, vimeo, googledrive or dropbox) please email any passwords to [hello@hillscenelive.com](mailto:hello@hillscenelive.com)
